Fall 2024 Professional Development Events!

SBT
Events

Hello Institutional,

Every semester, the School of Business and Technology organizes various professional development events aimed at equipping our students for upcoming career fairs, networking events, and internship opportunities. This semester, we invited [Dr. Essence Smith](#), Handshake Relationship Manager of EDU Success, and Dell Technologies Diversity Campus Manager, [Ms. Mir Tillman, M.A.](#), to share their insights and experiences with our students.

Dr. Smith captivated the audience with her talk on leveraging Handshake for career advancement, emphasizing the importance of building a strong digital presence. She also provided practical tips on creating an impactful resume.

Ms. Tillman, an esteemed HT alumna, brought a wealth of knowledge on how to ace the interview. Her session focused on empowering students to manage these conversations with confidence and enhance their professional skills for success in today's competitive job market.

The events also featured student participation with NABA President, [Iman Raji](#), and headshots by [Devin Rashaud Photography](#).

Our professional development events have been a tremendous success so far, equipping our students with valuable tools and insights to navigate their future careers. We look forward to our upcoming Networking Mixer and providing even more opportunities for growth and learning in the events to come.

Highlights

New NSBE HT President

Join us in congratulating Computer Science major and National Society of Black Engineers - HT Chapter new president, Joy Itodo.

“Being NSBE HT Chapter President has been such an incredible experience. My goal for this organization is to not only create a strong sense of community for technology students at HT but also to foster an inclusive environment that embraces diversity.

I believe bringing students from different backgrounds together to share their unique perspectives, and collaborate on projects can empower the future success of all members and students of HT.”

Joy Itodo

BCS, 2026

Student Org Day

To kick off the 2024 academic year, [Huston-Tillotson University](#) hosted Student Organization Day to inform our new students about campus organizations.

It was a vibrant day for student life, with booths and tables set up across the Student Union. Leaders from a diverse array of organizations and Greek life eagerly shared information about their activities, missions, and upcoming events.

Faculty and staff were also present, mingling with students and encouraging their involvement. It was a day filled with enthusiasm and HT spirit, setting the tone for a year of growth, learning, and unforgettable experiences.
